Sarah Covington—Donna Overby

We have thoroughly enjoyed working on the Valiant staff this 1974-1975 school year. We have learned a lot through our experiences here. There were times when the going got rough but we all managed to survive. This has proven to be a good year for us. It is one that we will always cherish and remember. Good-luck to all of you and may you always keep alive the friendly, warm atmosphere here at RTI.

*Dedication*  
*Kenneth J. Frost*  
*(1967-1975)*

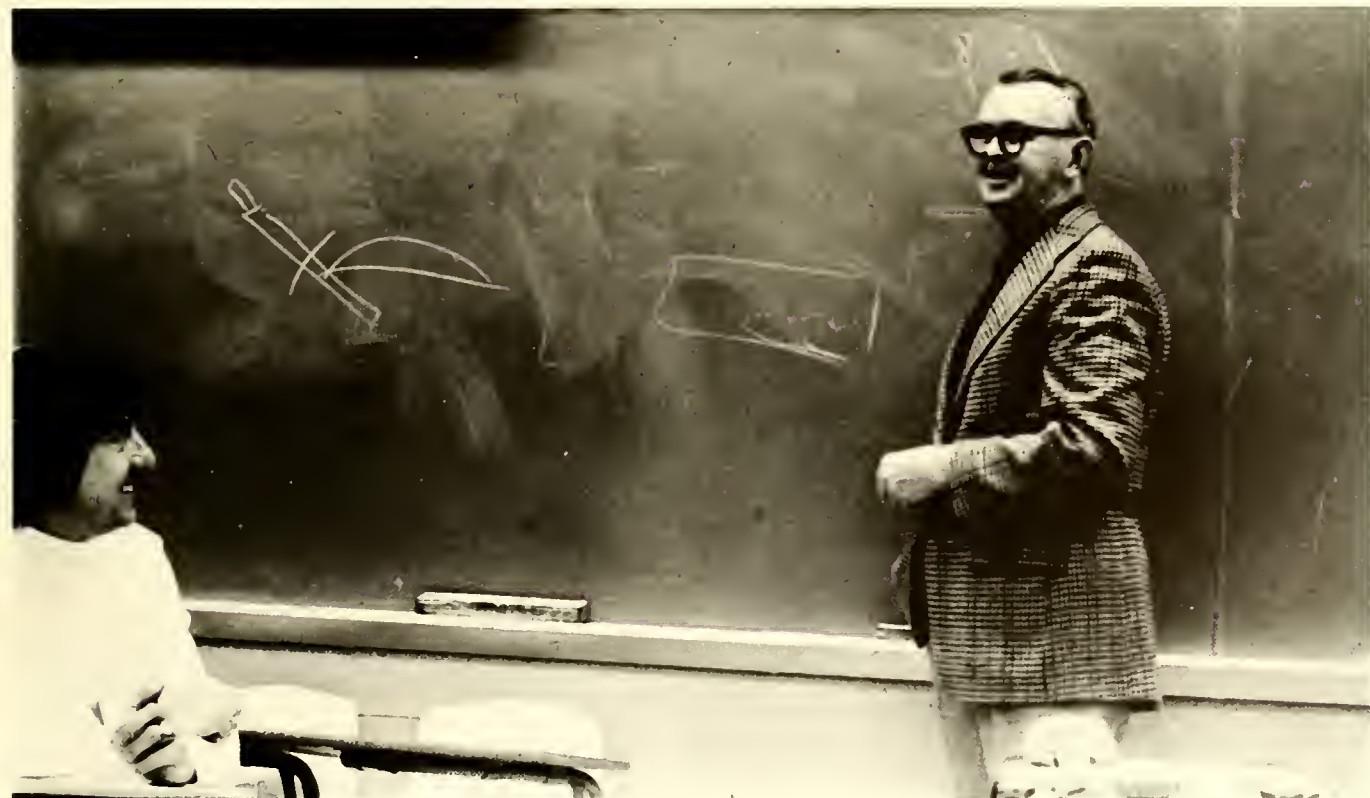

To a Master Teacher . . . "who causes to learn by EXAMPLES or  
Experiences . . . who imparts KNOWLEDGE and Skill . . ." We dedicate  
this annual with LOVE and RESPECT.

"The twig is so easily bended  
I have banished the rule and the rod;  
I have taught them the goodness of Knowledge,  
They have taught me the goodness of God:  
My heart is the dungeon of darkness,  
Where I shut them for breaking a rule;  
My frown is sufficient correction;  
My love is the law of the school.
